JUNE 1987 FIXED PRICE LIST #011

It has been increasingly difficult to locate nice problem free Early Copper to offer our clients. This present list represents our best efforts, lots of hard work and searching. We think you will find the results worthwhile.

There are some excellent coins offered herein, including the finest 1799 cent currently available on the market. Also a choice 1813 S-293, an attractive group of middle dates, and many high grade late dates including a nice VF 1849 N-16. We hope you will find something suitable for your collection.

\*\*\*\*\*

With this issue we institute a change in our terms of sale. We believe this change will greatly benefit our clients. Many collectors begin by purchasing specimens to fill a date or variety space in their collections. Later they may wish to upgrade. We wish to offer a trade up policy whereby we will guarantee to accept back in trade any coin purchased from our list at a minimum of 20% less than original purchase price (assuming, of course that the coin has remained in it's original condition and that it's rarity/value has not significantly changed). In addition through a reciprocal agreement with specialist dealer Tom Reynolds of Omaha Nebraska we have arranged to accept any Early Copper purchased from Tom's lists in trade on the same terms. We hope this policy will enable you to more confidently make your collecting plans. We are interested in your comments and suggestions. Please help us serve you more effectively.

\*\*\*\*\*

Remember our next all Copper auction will take place in September. If you know someone that would like to receive our lists and catalogs let us know! See us in Long Beach June 4-7, Chicago NOISE June 26-28. Norman Okla July 11-12, ANA Atlanta Aug 26-30. Auction lots will be available for viewing at our ANA Table.

WE OFFER THE FOLLOWING TERMS OF SALE

\*\*\*\*\*

1. All Coins GUARANTEED Genuine - This is a LIFETIME Guarantee!
2. All attributions are guaranteed correct - also LIFETIME Guarantee!
3. The IDENTIFIED POPULATION estimates (RARITY) of varieties change as more pieces of Copper are attributed, and it is IMPOSSIBLE to have an ACCURATE rating! But, we do use the most up-to-date data available - as reflected in "Copper Quotes by Robinson". (CQR)
4. STRICT ANA & EAC guidelines are used in grading, which consist of assigning a grade based on the state of preservation/wear of the piece. We then describe the condition of the coin so that you will have as good an idea as possible of what the coin looks like without actually being able to see it in person. It is our intent that there be NO SURPRISES when you receive the coin. Virtually all old Copper has accumulated some marks in their lifetime since leaving the Die/Mint - It is our intent to describe any such marks of significance. We now introduce a new term - VALUE GRADING!!

Sharpness Grade is far easier to describe in consistent terms, and where there may be circulation defects such as porosity, gouges, rim dings/nicks/bruises, corrosion and other such detractions, arriving at a NET GRADE is certainly subjective at best. The grade that we have assigned on the first line describing each coin is intended to represent this NET GRADE/VALUE GRADE.

If the Second Line does NOT start with a Sharpness grade, then it is our opinion that the NET GRADE of the coin is the SAME AS the SHARPNESS GRADE of the coin, and that there are NO SIGNIFICANT defects worth mentioning. Perhaps NOT PERFECTION, but whatever marks or other elements that may be present, do not deduct from the over-all appearance/grade of the coin, and are mentioned for accuracy.

5. A Full 30 DAY return privilege is allowed for any or no reason. Our business is based upon attracting repeat customers, and it does none of us any good for you to keep a coin with which you are not completely satisfied. The 30 day period is an approval period, and we welcome any of our customers to show their purchases from us to any other EXPERIENCED EAC member for another opinion. Sales are final after the 30 day period, but we will certainly consider extensions in this time limit upon any reasonable request.
6. All coins are guaranteed to meet ANACS certification for grading! Any coin graded lower by ANACS can be returned within 120 days for immediate refund of the full purchase price plus all ANACS certification service fees.
7. All orders are sent postpaid.
8. Approval service is available to established clients with 7 day terms.

We are always interested in buying Early Copper & Type Coins! If you have coins to sell, we would be happy to have you contact us. We are willing to PAY STRONG PRICES for NICE coins. We will also accept coins on a consignment basis at a reasonable commission. Please feel free to contact either of us with ANY questions that you may have:

# BOOKS

=====

There is more valuable information available on Early Copper now than ever before. We urge our clients to take advantage of the information, and research that the books listed below represent. The success of our business depends on a well informed sophisticated collector base. There is no rare coin investment as valuable as a library of Numismatic Literature. A membership in the Early American Copper Club is a good start. You may even want to join the Numismatic Bibliomania Society. Information on both these organizations is available from us.

All titles offered below are currently in stock. Delivery usually takes from two to four weeks. Several titles have become difficult to locate. We do accept want lists and will attempt to locate titles that you desire.

\*\*\*\*\* We have been fortunate in acquiring a few copies of the DELUXE EDITION of the ROBINSON S. BROWN SALE CATALOG by Superior. The sale was meticulously cataloged by Jack Collins with the assistance of Del Bland. It is currently the definitive reference work on Early Cents. The catalog itself contains 320 pages. 1457 lots with each lot photographed. The deluxe catalog contains 40 PHOTOGRAPHIC PLATES in addition to the normal text. These plates are high quality glossy finish and serve as an invaluable attribution tool.

A scarce catalog of collector quality....\$ 275.00

## STARTER COLLECTIONS

=====

We offer the following "starter" collections as a service to our clients. These are learning sets. As you can see we have priced these collections at or very near our cost. In many cases we can't afford to advertise lower priced coins individually. But we still must purchase them in collections at a fair price in order to buy the nicer coins.

Our intent is to provide you with affordable Early Copper to educate you as a collector and introduce you to the science of attribution and the art of grading. The pieces offered will vary in description and in many cases will not be problem free. But they will average at least Good and will be attributable as the stated variety. What's more we will allow full trade in value when you decide to upgrade your collection with coins from our regular list.

We think this is a fair proposition for all concerned. You get an inexpensive education in Early Copper. We move out some of our less expensive material and hopefully earn your future business in the process! See if you don't agree.

- 1852 N-5 R2 MS64 C-4 \$ 750.00  
Full blazing red. A few scattered spots and a trace of  
brown tone K2-4 obverse. Razor sharp strike and virtually  
flawless in terms of marks. In our opinion the huge bids  
for MS65 late dates listed in the Grey Sheet are sheer hype.  
An absolutely pristine perfect full red coin may trade hands  
for as much as \$2000. In general true MS65 coins trade closer  
to the \$1000 dollar level. We think you will find the above  
specimen will equal or surpass most coins offered as MS65.  
A fully original coin with every star fully struck and no  
distracting marks whatsoever. A superior example.

COMMENTS

=====

LAST ISSUE WE DISCUSSED INVESTOR MARKETS VS COLLECTOR MARKETS. COLLECTORS DON'T BUY COINS BECAUSE OF THE NEED FOR CONTROL OF THAT COMMODITY, OR THE DESIRE FOR A PROFIT. COLLECTORS BUY COINS ONLY BECAUSE THAT IS THE EASIEST AVENUE FOR OBTAINING THEM. IF YOU COULD STILL FIND LARGE CENTS IN CHANGE, COLLECTORS WOULD BE STANDING IN LINE AT THE BANKS. IF YOU COULD ONLY FIND THEM BURIED IN LONG FORGOTTEN KEGS BENEATH RAILROAD TRAVERSES THE SALES OF PICKS AND SHOVELS WOULD SKYROCKET. BUT BECAUSE RARE COINS ARE NOW AN ITEM OF COMMERCE, COLLECTORS ARE FOUND MORE OFTEN ON BOURSE FLOORS, AT AUCTIONS OR RUNNING TO THEIR P.O. BOX SEARCHING THROUGH PRICE LISTS FOR THE ELUSIVE ARTIFACT OF THEIR HEART'S DESIRE.

A FUNNY THING ABOUT THE COIN COLLECTOR. HE DOESN'T WANT PRICES TO RISE. THOUGH HIS COLLECTION MAY BE HIS SINGLE LARGEST INVESTMENT. HE DOESN'T WANT PROFITS. HE WANTS MORE COINS. AND HE WANTS THEM AT A COST THAT IS NOT SO DEAR THAT IT IMPAIRS HIS ENJOYMENT OF THEM.

LET ME GIVE YOU AN EXAMPLE. AT THE ROBBIE BROWN SALE MOST MAJOR COLLECTORS WERE EITHER IN ATTENDANCE OR REPRESENTED BY OTHER BIDDERS. IT WAS A FESTIVITY NOT MERELY AN AUCTION. THE ATTENDEES WERE MORE THAN ACQUAINTANCES - MANY WERE CLOSE FRIENDS. BUT WHEN THE BIDDING BEGAN IT WAS EVERY MAN FOR HIMSELF. THE PRICES ROSE TO WHAT SEEMED LIKE CRAZY LEVELS. AT ONE POINT I LOOKED BACK AND SAW OVER MY SHOULDER A MAN WHO OWNS WHAT IS GENERALLY CONCEDED TO BE THE FINEST COLLECTION IN THE COUNTRY SHAKING HIS HEAD IN DISMAY AND DISBELIEF. THE PRICES WERE TOO HIGH. THERE WERE COINS HE DESIRED BUT HE COULD NOT BRING HIMSELF TO PAY THE SEEMINGLY INSANE PRICES SOME WERE BRINGING. HERE WAS A MAN WITH A COLLECTION (HOLDINGS) WORTH TENS OF MILLIONS OF DOLLARS. THE INCREASE IN VALUES MANIFEST IN THE PRICES THE ROBBIE BROWN COINS WERE BRINGING WAS WORTH SEVERAL MILLION DOLLARS TO HIM. BUT THE PROFITS WERE OF NO IMPORTANCE. WHAT MATTERED TO HIM WAS MISSING A COUPLE COINS HE WOULD HAVE \*ENJOYED\* OWNING.

THIS IS ONE OF THE KEYS TO UNDERSTANDING THE STRENGTH OF COLLECTOR MARKETS. COLLECTORS DO NOT DESIRE PROFITS. PRICES RISE IN SPITE OF COLLECTOR RESISTANCE. ULTIMATELY VALUES RISE ONLY BECAUSE THE DEMAND IS FAR IN EXCESS OF THE SUPPLY. NICE COINS CAN ONLY BE ACQUIRED BY OFFERING A HIGHER PRICE THAN THE PRESENT OWNER HAS REASON TO EXPECT IS REASONABLE. THE NEW OWNER IS WILLING TO PAY THE HIGHER PRICE ONLY BECAUSE THE PRIDE AND ENJOYMENT HE DERIVES FROM OWNERSHIP OUTWEIGHS THE INCREASE IN PRICE.

IF YOU ARE CONCERNED WITH THE INVESTMENT VALUE OF YOUR COLLECTION, BEAR IN MIND THAT THE TRUE \*VALUE\* OF A COLLECTION IS RELATED MORE TO THE ENJOYMENT IT GIVES THE OWNER THAN TO THE MONETARY WORTH OF THE COLLECTION. IF YOU ARE NOT ENJOYING YOUR COLLECTION YOU ARE BEING CHEATED OF IT'S FULL VALUE - WHATEVER IT'S INCREASE IN WORTH.
